ZIP CODE CHALLENGE HUNT

Instructions: Begin by reading the starting clue for location #1 given below. Navigate to the location the clue describes. At each challenge location there will be a small sign (8" x 8") like the one shown below. On the sign will be two pieces of information that you will need to complete the challenge hunt:

- 1) A letter key that you will need to place in the puzzle below. Find all the challenge locations in order and it will spell out the challenge phrase.
- 2) A clue that will lead you to the next challenge location. Please put in a brief description of where the challenge key is located (i.e. "library").

DO NOT MOVE OR REMOVE THE SIGNS OR THE BUFFALO CENTER ROCKS! They are to remain at the location. Please be respectful of the locations where signs are placed as many are on private property and are placed with the landowner's permission. Please stay on roads/driveways and do not drive on the grass. You will have to get out of your vehicles and walk short distances to find the signs and read the clues. If you are at a location and believe a sign is missing, please email us at northiowabetterment@gmail.com for help. Note that some locations may be located inside local businesses and are available only during those business hours.
